0 of 0 people found the following review helpful. So much explained about me. By Sparrow Watcher I took the test. While it doesn't completely describe me, it comes scary close at times. It helps to understand the "why" you do/ think things the way you do. 1 of 1 people found the following review helpful. Definitely recommend this for anyone interested in the INFJ type. By ryan ensign As an INFJ, Jennifer Soldner hit the nail on the head. Definitely recommend this for anyone interested in the INFJ type. 0 of 0 people found the following review helpful. Good start. By joseph alvarez A nice base to branch off of. Gives good insight on how INFJs operate. Differently struck a chord with me, considering I am an INFJ.

Do you have your heart set on an INFJ? Perhaps you have only recently met or maybe you have been together for decades. Regardless of where you are in your relationship, if you find yourself wanting to know more about the INFJ personality type, then this book is sure to offer the insights you seek. In this book, you will find:- Thorough explanations of how an INFJ's mind functions based on their cognitive processes.- Overviews of the strengths and weaknesses an INFJ brings to a relationship.- Insight into the communication style of an INFJ.- Advice on how to foster deeper levels of intimacy within your relationship and more! The INFJ is viewed by many to be a mysterious personality type, locking all of their secrets under the many layers of their heart. By achieving a deeper understanding of this unique personality, you may be one of the lucky few to unlock the secrets of the INFJ heart.
